

Baby; the Poodle Cow Dog

Have you ever felt too little, too afraid, or too out-of-place to even try? Willyn Webb, author, mother, teacher, and rancher, brings us the true, overcoming-all-obstacles, success story of her daughter "Skylyn" and their tiny poodle "Baby." Together they get themselves ready and go on the annual fall roundup. All but one of the ranch's real cow dogs snub Baby because she's the wrong breed. The ranch hands see Skylyn as too young and a girl. However, both little cowgirl and poodle prove their worth, and Baby, the poodle, becomes Baby, the poodle cow dog. Readers are inspired by this unlikely success story and learn that anything is possible with faith, determination, and a bit of hard work.
